

# DAILY ACTIVITIES

## Arrival and Welcome Bali Style

June, 24th

## Know yourself and Your Community

June, 25th, 26th & 27th

We will learn meditation techniques, how to listen to ourselves, hike around Sidemen and spend a day with local families to learn about the community.

## Outdoor Day

June, 28th & 29th

We will spend two days experiencing outdoor activities, learning, enjoying, sharing, and creating impact while engaging with nature.

## Building Team Spirit

June, 30th - July 1st & 2nd

We will get to know the team and team-building techniques to start working in the community project design.

## Outdoor Day

July, 3rd

We will spend a day outdoors experiencing learning activities while enjoying nature.

## Feeling and Connecting with the Local Community

July, 4th, 5th & 6th

We will implement all the knowledge that we acquired during the last days, create impact within us and the community and get a future outlook and perspective.

## Departure Day and Farewell Bali Style

July, 7th
